Dear Sir/Madam,

As you are aware, there is a contradiction between membership of Regional and Local Branch. A member residing within the area of a Local Branch is considered to be a member of that Local Branch. However, he or she is not considered to be a member of the Regional Branch of the State. Accordingly, the Executive Council in its meeting held on 5<sup>th</sup> July, 2022 rectified this anomaly and approved the following amendment in the Byelaws of the Regional and Local Branches of IIPA as under:

**“A member residing within a State or U.T. shall be a member of the Regional Branch of the State or U.T. also, irrespective of the fact that he or she resides in an area covered by a Local Branch and is a member of that Local Branch.”**

This is for your kind information and record.

Yours sincerely,

  
(Amitabh Ranjan)  
Registrar

**Chairmen and Honv. Secretaries of the Regional and Local Branches**
